Dear Mr. Pisciueneri,

Thank you very much for your communication from 17 June 2008, responding positively to our invitation to join ETSC's Main Council.

On behalf of ETSC's Board of Directors, I am delighted to offer the "Provincia di Crotone" a full membership of our Main Council.

I wish to state that ETSC values the strong commitment of the "Provincia di Crotone" to local, national and European road safety work and we are looking forward to your active participation in ETSC.

We will now undertake the necessary steps to formalise this agreement and hope that you will join us at our next Main Council Meeting in Bern on 25-26 September 2008, for which you will receive an invitation soon.

With my kindest regards,
Yours Sincerely,
